

PROUDLY PRESENT  SEMINARS:

## *The Practice of Sex Therapy*

A two-day, 12-CE hour training focused on clinical applications of sexual dysfunction & disorder treatment.

*Featuring Presenters:*

Dr. Susan Lee, Ed.D., LCSW, CST  
Richard Siegel, MS, LMHC, CAP, CST  
Lawrence Siegel, MA, CST

This exciting and fast-paced seminar is ideal for those interested in sex therapy in order to enhance their clinical skills. It has been streamlined for psychotherapists (social workers, marriage & family therapists and mental health counselors), psychologists, physicians (especially urologists, gynecologists, endocrinologists, and internists), physician assistants, nurse practitioners, and postgraduate students. Three expert sex therapists offer the latest in treatment techniques and solutions for your challenging cases. We invite seasoned clinicians or those building a foundation for working with sexual issues to attend. These seminars are especially suited for professionals seeking certification as a sex therapist, counselor or educator.

**Course Objectives:**

Include: the bio-psycho-social factors shaping sexual response; differentiating between organic and psychogenic causes of sexual dysfunctions; diagnosis & treatment of sexual dysfunctions & disorders in men & women; the impact of the "medicalization" of sexual treatment on clinical practice; the impact of disease, medication and recreational drugs on sexual functioning and intimate relationships; treatment of paraphilias and sexual compulsivity disorders; specific treatment techniques and interventions utilizing the traditional sex therapy modality; sexuality issues in chemical dependency, and current research in clinical sexology.
